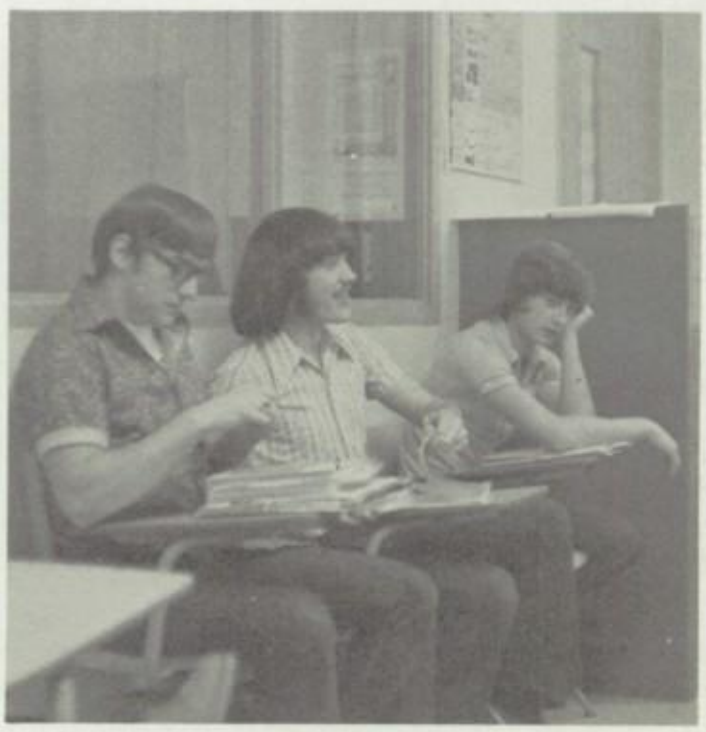
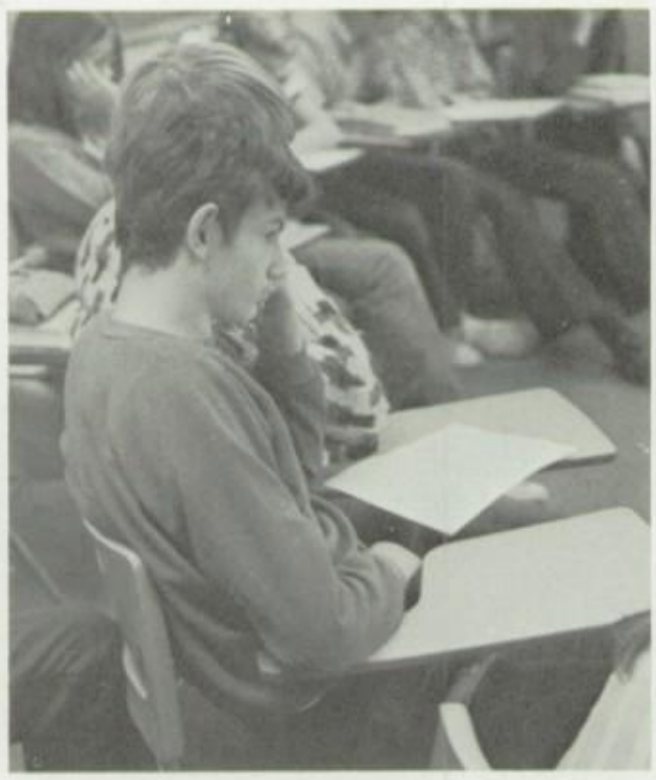
CLASSES



FRESHMEN



OFFICERS: Vice-President, Dan Scholze; Treasurer, Joe Hart; President, Jon Eisberner; Secretary, Susan Grunlien.

Freshmen Day--Wow! What a day--full of confusion excitement, and piles of books! Senior slave drivers pushed us around but we enjoyed every minute of it. Dressed up in goofy costumes for a day, we were the center of attention at L.H.S.

Our magazine sales, although failing to reach the goal, made us some money. Our team captains were Sarah Strandberg, Virgil Newell, Jon Eisberner, and Arlene Hart, with Sara Rousey as manager. Prizes were drawn for and Judy Christopherson won. Joe Hart got the high salesman award.

Throughout the year we participated in the activities at Lincoln; still a bit green, as the saying goes, but not without spunk! We're looking forward to the days ahead when we can look back to laugh at our failures and smile at our successes.

BACK ROW: Laverne Galster, Pascal D'Huyvetter, Steve Edwards, Robbie Bandell, Jerry Blazek, Jon Eisberner, Steve Berg, Tony Gohde, Rick Gerber. SOPHOMORES

We made it! Even though we were sophomores, we showed our outstanding spirit by the way we participated in pep-rallies and athletic meets. We also received first place on our float "Drum Up a Victory", which we worked very hard on. Along with having fun, we strived to show everyone else that we weren't just sophomores. This past year, we had the opportunity to take more interesting, resourceful classes like typing, drafting, drivers ed., and Spanish. Our class also participated in sports, both boys and girls, and achieved a great deal while doing it. All in all we, the class of '76', strived for many things and accomplished them. This helped bring us one year closer to being on our own in a busy world.

JUNIORS

After a long hot summer, the Class of '75 came back as the year's Juniors. We started out with a second place Homecoming float--"Wheel Overcome." The next big adventure was the buying of class rings, which really drained everyone's pockets. Then we held the last dance before Christmas---our gift to everyone.

We'll wrap it up with the Prom and wait until next year when we'll be back as SENIORS!

SENIORS

The last year for the Lincoln seniors has been one full of conflict, discussion, and much activity. There were the selection of colors, picking of flowers, dates, speakers, and measuring for robes. All of these leading up to G-Day--May 24--Graduation Day. Along with all of this, there were the fund raising activities, Homecoming float, skit, and dance, and a lot of discussion about, "What? Do you mean we might not get a trip?"

We all worked hard to make this year the best--one to be remembered. We made it possible to say that the Class of '74 was really GREAT!

OFFICERS: President, Jerome Hart; Treasurer, Don Forsting; Vice President, Roy Risch; Secretary, Maureen Pokorny.

The Lincoln Hornet gridders started out big with three wins and one tie, but as the season progressed the Hornet's record did not. Lincoln ended up in fourth place with a 3-4-1 record. The Big Red's defense held their opponents scoreless for the first three games and into the fourth quarter of the Alma game, until they gave up a one yard plunge for the TD. The Hornet's tie was a scoreless tragedy, even though our faithful Eau Claire Leader predicted it to be anything but a scoreless tie.

Two members of the Hornet roster received All-Conference honors; Dan Waters on the defensive line and Jerome Hart at a defensive linebacker spot. Receiving Honorable Mention were: Roy Risch, defensive linebacker; Dan McKevitt, offensive end; Don Hart, defensive line; and Joe Scholze, defensive linebacker.

The most valuable player was Joe Scholze, with Jerome Hart and Roy Risch as the team's Co-captains.

Lincoln will retire thirteen seniors, but has potential for the future.

HOMECOMING VICTORY FOR L.H.S.

Homecoming week was a lot of fun, excitement, and hard work; with the planning and building of the floats, planning for skit night, and the bon fire, and getting spirit up for everybody. All things considered, it was a great success for everyone; a few problems here and there, but we made it worthwhile.

Skit night was really enjoyed by all. The Freshmen had a great skit. The Sophomores had a hilarious version of Hee Haw's Gloom-Despair song and a little something was added by the girls singing their own version of "Basketball Jones." The Junior and Senior skits finished with various T.V. commercials. Then everyone trotted to the football field for the Bon Fire. Speeches were given by the court and the band was there to play the school song while cheerleaders and the crowd cheered on.

That spirit led up to a victorious game Friday night. It turned out to be a perfect night for football as Lincoln beat the Rivermen 16 to 6.

Saturday night King Jerome and Queen Sally were crowned by last year's King Wilbur and Queen Lavonne. The band, "PHRED", did a great job considering their drummer was unable to come. Mr. Ruda filled in and the night turned out just fine.

Overall, Homecoming week was an exciting week for everyone who worked hard to make it a success. The spirit of everyone is the thing that did it, and where there's a victory, there's happiness.

Queen Sally and King Jerome.

Says Coach Kujak . . .

"Wrestling is 20% ability, 40% heart, and 40% desire." With this in mind Lincoln's grapplers took to the mat with spirit and the determination to win.

Our wrestling squad faired well in Tournament play. Marcus Eisberner took 1st place honors, while Wayne Tande placed 4th at the Mustang Invitational. Marcus also placed 1st at the Dairyland Invitational with Roy Kinser placing 4th.

Lincoln made a fine showing at Regionals, placing 4th out of 12 teams. Roy Kinser, Kip Bradshaw, and Blake Heller placed 3rd. Marcus took 1st once more.

Team mates voted Marcus the MVP. Kip and Marcus were chosen as Co-Captains. All-Conference candidates were Kinser 5-1, Bradshaw 6-1, and Eisberner 6-0.

Lincoln Basketball seemed to be jinxed with a problem of inexperience, but still had as much enthusiasm and spirit as top notch teams. The basketball team did not come up with a winning season but tried hard until the end. The most valuable player was Charlie Janke with Jerome Hart and John Esser as the co-captains. The Hornets will say farewell to eight graduating seniors.

The Junior Varsity team showed signs of good things to come for Lincoln. With outstanding effort on the part of all team members and a very commendable following by the sophomore class, the "B" team earned a 14-4 mark during the 1973-74 season. The Hornets four losses were to Neillsville, Central, and twice to Osseo-Fairchild. The 1973-74 season ends with hopes that the tremendous team spirit shown by the players and the fine support of the fans will continue.

WE'VE GOT THE POWER

The A and B team cheerleaders worked hard to put forth a good season of exceptional cheering. Besides staying after school two nights a week to get it all together, they sponsored a car wash, bake sale, and thrift sale to raise money for pom poms. Our dedicated cheerleaders always managed to keep the team and crowd "pysched up" during the games, even when the going was rough. Not only did the cheerleaders demonstrate their spirit, all of Lincoln did a fine job of supporting their Hornets.

The band this year is the largest so far in our school's history. We have had many opportunities to show our ability as a whole and individually, and we have enjoyed every minute of it.

In late summer we traveled to the Wisconsin State Fair at West Allis to perform a concert and to lead the parade around the fairgrounds. We stayed overnight at the college dorms and visited the zoo and planetarium the next day.

In the fall we played for the dedication ceremonies of the Gile Memorial Park. This was very much appreciated by all.

A new music district made up of four area schools was formed this year and Lincoln had the pleasure of hosting both the Solo and Ensemble Contest and the Band and Chorus Contest.

We have a great deal of pride in our achievements and we are happy to have been able to share them with others.

MASS BAND

On October 29th, 1973, the Mass Band performed a fine concert at the Sunset Memorial Auditorium in Whitehall. The band, made up of all-star band members of the conference practiced hard all afternoon to "get it all together." They then had a fine meal and a rest period. The big moment finally came and made a dynamic impression on the audience. It was an enjoyable experience for all!

COLOR GUARD

Left, Right, Left!. . . This was a familiar sound to the members of the Color Guard. Every Thursday night you could hear them working on their routines which they presented at football and basketball games. Along with presenting the colors at sporting events, the Color Guard led the band at parades. The highlight of the year was when the guard and the band led the parade at the state fair at West Allis.

Okay everyone, throw away your gum and sit up straight on the front of your chair, feet flat on the floor. This is how Mr. White starts out the day with chorus first hour in the morning. This year has been a little hard without an accompanist. Now Mr. White plays piano and directs at the same time, but it didn't affect our outcome. We had a lot of fun and put on some mighty fine concerts.

HIGH QUIZ BOWL

CONTESTANTS: Robert Martin, Mary Ripp, Bruce Moorhead, Heidi Millard, Patty Laverty.

This was Lincoln's first year to receive an invitation to HIGH QUIZ BOWL, a quick recall TV program sponsored by Viterbo College and the Bank of LaCrosse. The contestants were first treated to a meal at Marian Hall and a tour of the Fine Arts Building of Viterbo, then they went to the WKBT studio where they met Holmen for the match. Each member recevied a certificate and the group earned a $200 scholarship for the school. The trip proved to be not only a nerve-racking experience, but also interesting, as the members were able to see themselves on television.

STUDENT COUNCIL

This year's Student Council members were busy dealing with the problems around Lincoln. New rules were set up and the school's constitution was reviewed to fit it to the needs of our school today.

The "Hornet" staff has worked diligently to put out exceptional newspapers on the exciting events that occur here at Lincoln High School.

The reporters write on creative and interesting subjects of the students' interest. The typists keep their alert minds and nimble fingers busy typing up these intelligently-written articles. The editors and advisor put their helping hands together to plan and oversee the "Hornet".

Many of the students read the "Hornet" to learn the latest happenings at L.H.S., others to find the amusing aspects of it, and some just read it to pass the noon hour. The dedicated readers of the "Hornet" like to see their names in the paper, read the educational and humorous "fillers", and to find out all about those sensational seniors in their interviews.

The "Hornet" has covered the memorable happenings at Lincoln and will continue to do so as long as L.H.S. is busy and bustling with a wide-range of activities.

ONE ACT PLAY

The fall one-act play contest was held at Regis High School in Eau Claire this year.

The play was "Old People Are Really Good for Something." It was about an old man surprisingly helping four young girls in a scheme to ditch their chaperone for a trip to the city.

"May I have your attention for an announcement? The Annual Staff will work tonight after school. Thank you." How many times have you heard this throughout the past school year?

Working nights after school, during free hours in the day, and over vacation to meet deadlines was a familiar happening. The staff had a completely new outlook in its way of doing things. Of course, Mr. and Mrs. Ruda, the new advisors, had a great deal of influence on their work.

The big aim this year is to have the Annual out on time and it looks as though that goal will be reached, thanks to the co-operation and help of all members of the Annual Staff.

Yearbook Advisors, Mr. and Mrs. Dennis Ruda; Editor-in-Chief, Julie Bowen.

Spanish dialogues can be heard throughout the halls at L.H.S. now that the Spanish Club is in its second year. The Spanish Club consists of students who have completed Spanish I or II. "Come on Mr. Hansen, show your stuff." This is one of the things that may have been heard any time the Ski Club was on the slopes. Bruce Mound seemed to be about the best place for the club to ski--the fuel problem and weather were very anti-Ski Club this year. The trips to the Mound were lots of fun and everyone had a good time. The only problems came the next day--the usual soreness and stiffness.

FUTURE FARMERS

The Lincoln High FFA chapter started out its year of activities with the election of officers, reorganization, and membership drive.

For the third consecutive year Lincoln High sent delegates to the National NFO convention in Kansas City, Mo. and Louisville, Ken. The convention delegates are determined by a county-wide NFO-FFA essay contest.

The basis of a good organization is ample funds and November and December are the months in which FFA members work diligently raising money through Christmas card and seed corn sales.

In February some FFA members prepared speeches for the district and sectional FFA speaking contests. Lincoln High has often supplied winners in these statewide meets.

April brings opportunity for agriculture students to demonstrate their judging skills at the state FFA judging contest in Madison. Our school is represented in fat stock, dairy, and farm crops judging teams.

The FFA year is climaxed in the summer with the annual trip (St. Louis or Detroit this year), and the State FFA Convention in Green Lake. At the convention, State Farmer degrees will be bestowed upon some of our members and others will participate in State band, business meetings, and speaking contests.

The year is ended with dairy and beef exhibits at the county and state fairs at Black River Falls and Milwaukee respectively.

This year members of H.E.C. had to be enrolled in at least one semester of a Home Economics course to be eligible for membership. An initiation party was held in honor of the freshmen girls on November 19. Peeking through a window, we see freshmen girls neck to neck in oranges and up to their knees in pennies.

Working towards a trip, we sponsored a bake sale on the first day of deer hunting. It was a huge success. After enjoying our caroling trip which took us to the Jackson County Home, we returned to our Christmas party.

With each project our club members became more united to make our year a greater learning experience and an all-around success.

L-CLUB

The L-Club enjoyed a busy year at Lincoln. Senior L-Club members played the faculty in a basketball game that was fun for everyone. The money raised at the game, plus the money from selling calenders at sports activities, went into a fund for a weight lifting machine. All the work put forth was well worth it.

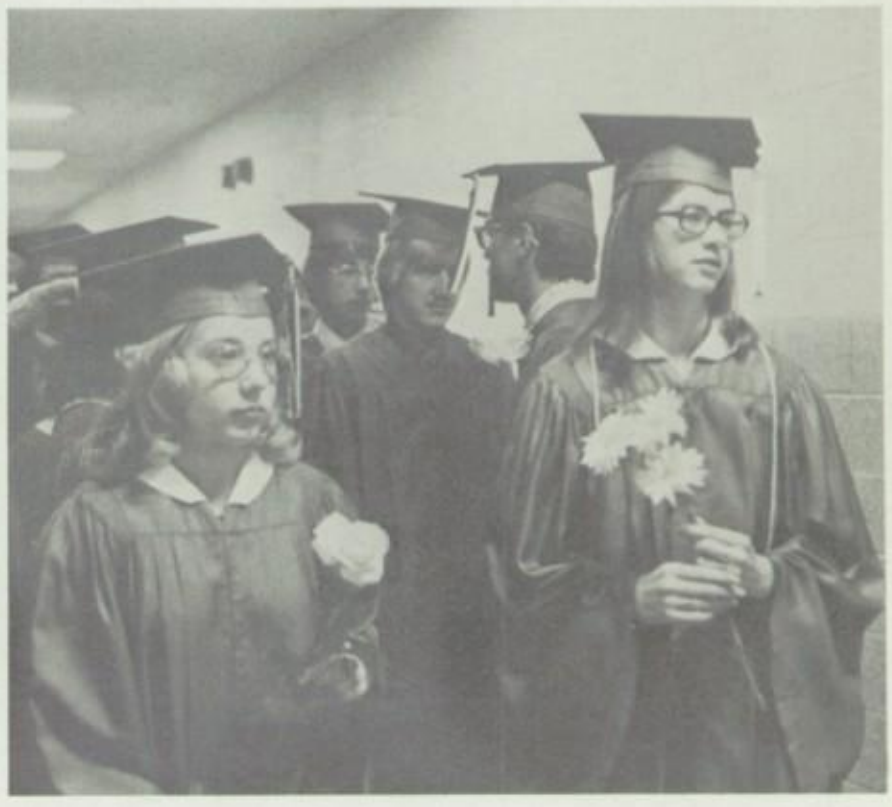
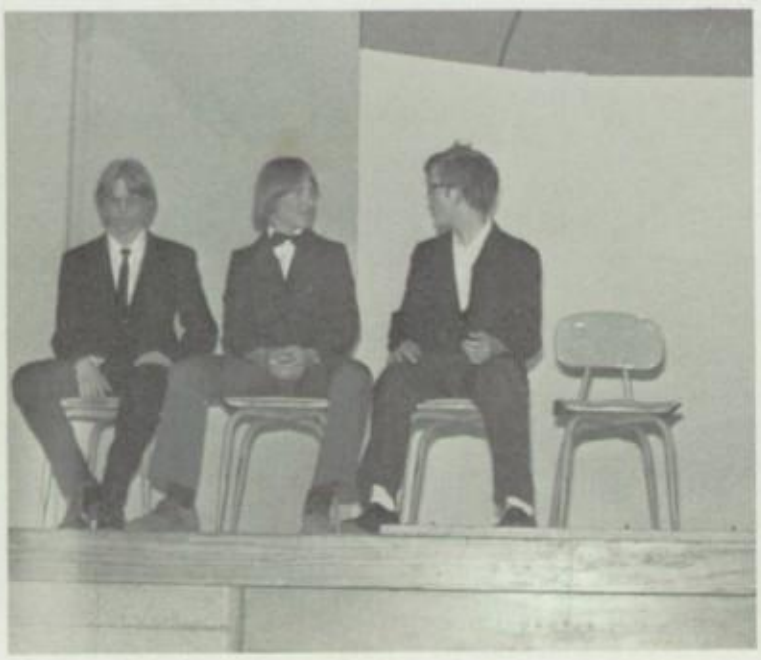
THE END DRAWS NEAR



ALL SCHOOL PLAY

The compelling story, "Flowers for Algernon" is about a mentally retarded man, Charlie Gordon. Charlie is the willing victim of a strange experiment, getting an operation to hopefully change from a moron to a genius. It had worked on the mouse Algernon but would it work for a human being? Was it fair for a human to be subjected to such an experiment? Would there be any side effects later on? All of these questions were answered in the play.



Kim Shoemaker, playing the lead part of Charlie was supported with a large cast of fine players. Other lead parts were held by Penny Reineck, Gina Veronesi, and Bruce Myers. In addition to the cast, excellent work was contributed by the lighting, costume and makeup crews.

TIME IN

PROM COURT: Bruce Strandberg, Caroline Laufenberg, Pat Janke, Carol Michels, Steve Anger, Phyllis Scholze, Queen Carol Flicek, King Judd Strandberg, Terry Barney and Janet Jacobson.

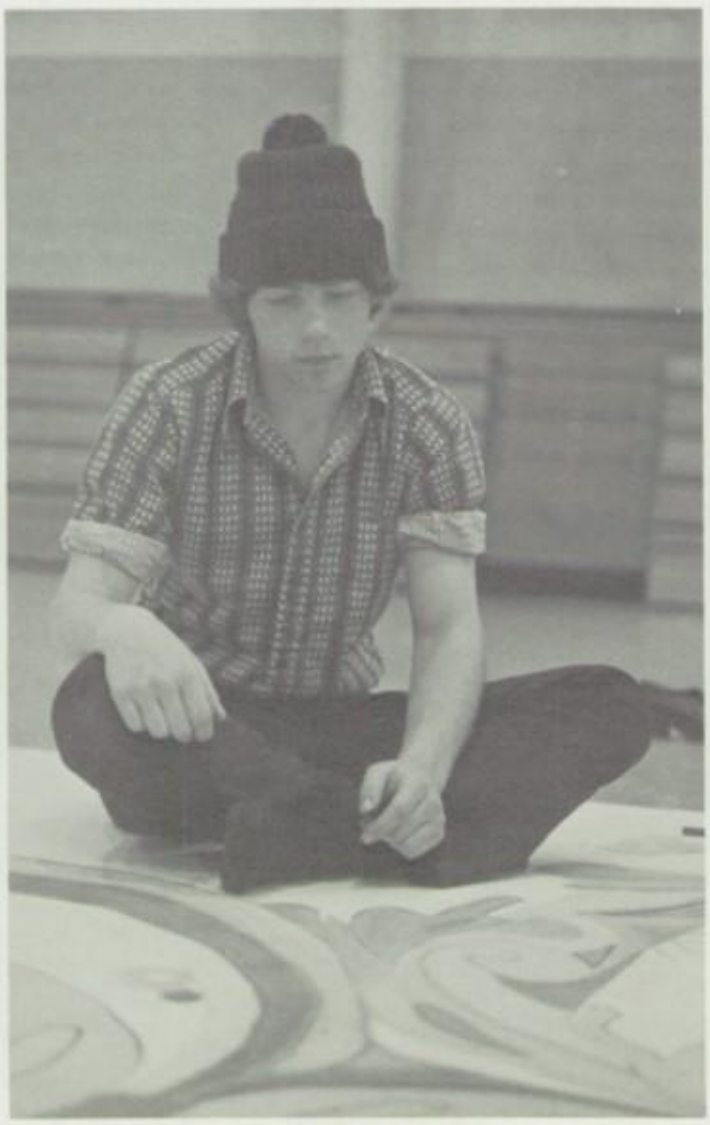
A BOTTLE

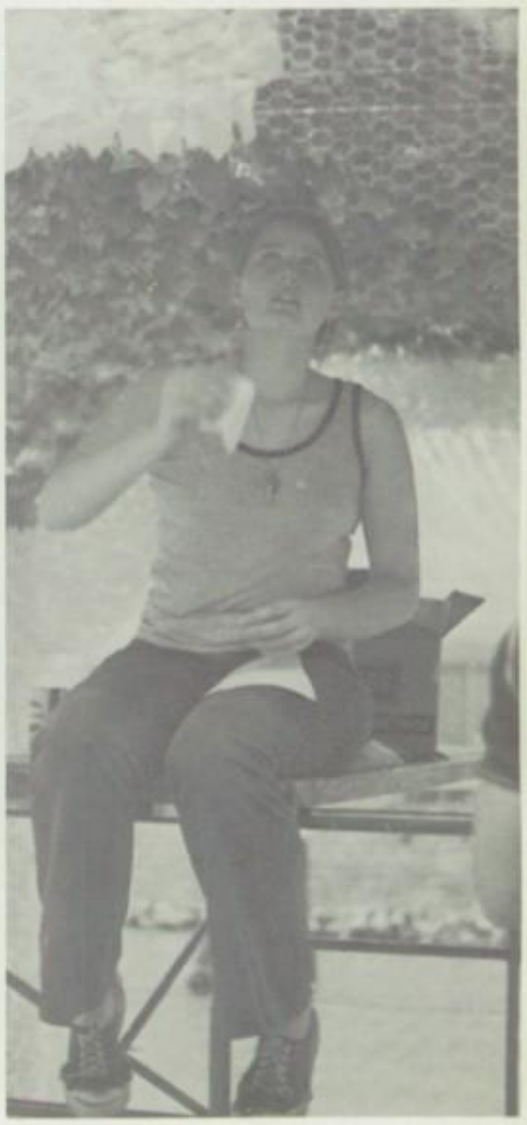
PROM 1974

The Juniors worked for two weeks to get all the decorations ready, and the finished product was worth it. The gym was decorated with many murals, yellow and green arches, and accented with green, yellow, and blue crepe paper.

The excitement grew as the roses, eight red and two yellow, were passed out and opened. Carol Flicek and Judd Strandberg received the yellow roses, signifying that they had been chosen as King and Queen.

Amidst the flash of many cameras, they were crowned King and Queen by last year's royalty, Dawn Nelson and Gregg DeVoe. Assisting them were crown bearers, Beverly Comstock and Bobby Palubicki.





BACK ROW: Gene Peterson, Dan McKevitt, Mark Carey, Terry Barney, Wayne Ripp, Dan Gilles, 2ND ROW: Jerry Jacobson, Keith Reynolds, Steve Anger, Marty Kalina, Tony Blazek, Jeff Powell, Don Forsting, 1ST ROW: Steve Powell, Larry Capaul, Jerry Blazek, Owen Nelson, Marv Decorah, Tony Gohde.

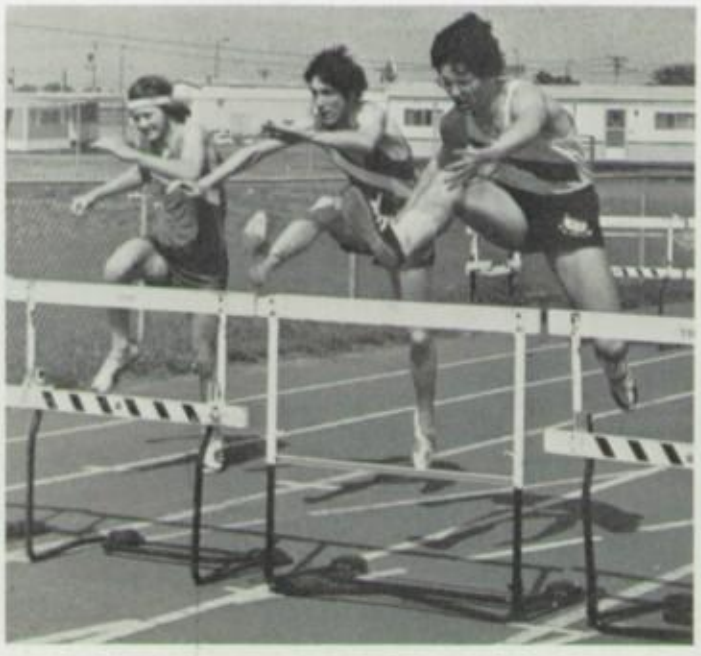
Conference Meet		Fifth place	

Although they finished 5th at Conference, Lincoln's cinder men had some outstanding performers. Marty Kalina and Mark Carey broke the school's high jump mark by going 5'10" at the Conference Meet in Eau Claire. Another school record was shattered this season. The mile-relay team, consisting of Don Forsting, Steve Anger, Gene Peterson, and anchored by this year's MVP Keith Reynolds, eclipsed the old mark by some 4 seconds. Mark Carey and Dan McKevitt were among the top high hurdlers in the conference. All of these boys advanced to the Sectional Meet in their respective events. The co-captains of the squad were Don Forsting and Jeff Powell.



L.H.S. TRACK — MALE & FEMALE

Hurdling, Sprinting, Relays, Jumping, Long Mile Runs, Throwing, all are a part of the girls' track lives. This year girls' track really advanced. There were meets with nearly every school in the conference. The girls also earned the right to a letter if they had enough points. The most amazing feat the girls performed was to take every 1st at the meet with Central.

Rona Olson was selected as Most Valuable Player with Nancy Bates and Arlene Hart as Co-Captains. Girls going to sectionals were: Nancy Bates in the 100 yd. dash, Arlene Hart for shot put, and the 880 relay team consisting of Kathy Michels, Janet Jacobson, Sandy Scholze, and Phyllis Scholze.

Everything comes in threes was the popular motto for the Hornet players by advancing to its third consecutive state meet and its third conference title in four years.

Lincoln pooled a 12-1 overall record. The Hornets had the highest team batting average with a .351 percentage. Jerome Hart led the conference with a strong .547 and Don Forsting took second with a strong steady .512. Jerome and Don were also the pitchers, earning a 9-0 and a 3-1 record respectively.

In tournament play Lincoln downed Central 11-1, Osseo-Fairchild 12-3, and Augusta 8-4. Then came Tomahawk; the Hornets started out behind 4-0, but came back and tied it up 7-7 in the seventh inning. The game went scoreless extra innings up to the bottom of the tenth when Lincoln produced the winning run on a bunted single and advanced to the State Meet. The Hornets produced a good show, but lost to the second place winner, New Holstein by 2-6.

The most valuable player for the Hornets was Jerome Hart. The all conference selections were Jerome Hart at pitcher and Don Forsting in the outfield.

Lincoln retired four seniors, and will be strong contenders as usual with the unbelievable coaching of Coach Sobota.

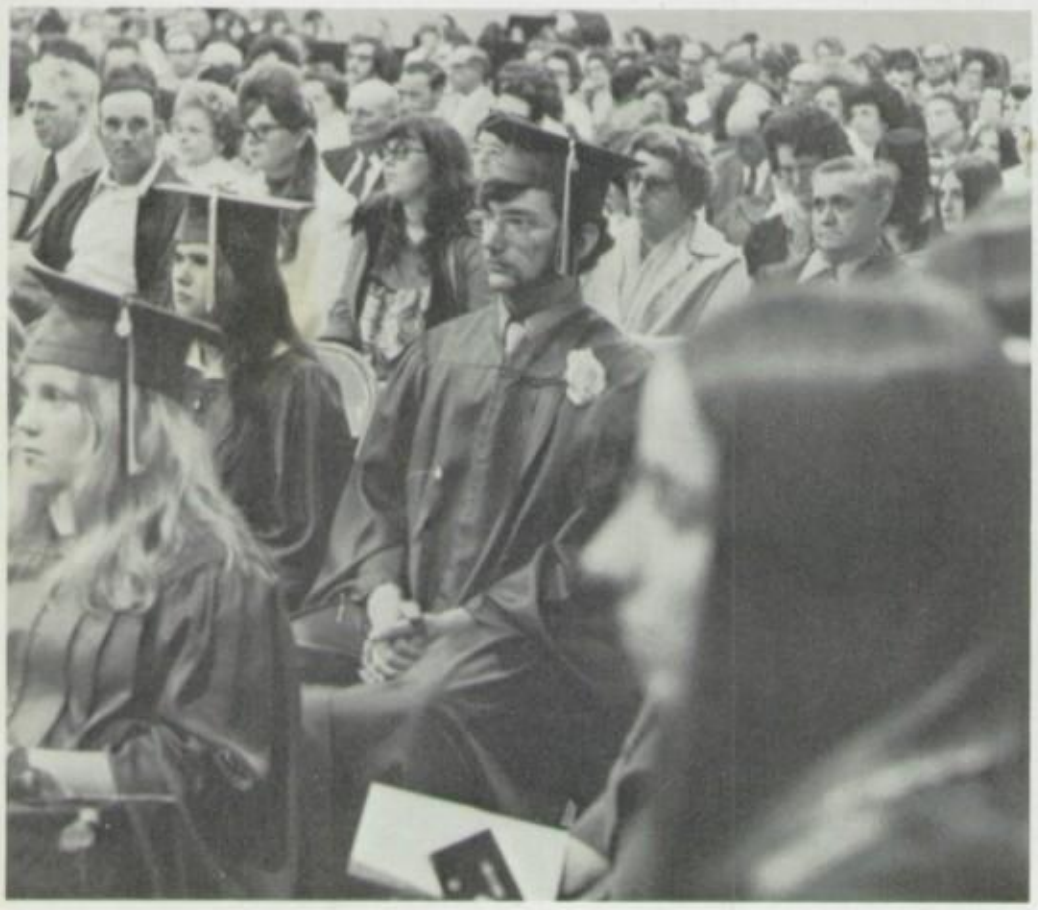
IN OURSELVES OUR FUTURE LIES



On the night of May 24th, 1974, fifty-five seniors received their diplomas and became graduates of Lincoln High School. It was a time of happiness, but many tears were shed for all the goodbyes that had to be said and all of the good times which would be left behind.

The commencement speaker was L.H.S. teacher Ralph Sobota. Speakers for the class were Maureen Pokorny and Linda Bohac. The Valedictorian was Linda Bohac and Patti Laverty was the Salutatorian.

Decorations for the gym were the class colors of royal blue and white and the class motto was "In Ourselves Our Future Lies."
